

**ATTENTION:** CGFNS has introduced a feature that allows you to directly upload your secondary school documents.

- To access this feature, login to CGFNS Connect (<https://start.cgfns.org/>). In your "My Dashboard", click on the service you ordered to go to the Service Order Details page.
- In your "My Order Requirements – General Requirements", look for the "Upload Secondary School" link that is for the Secondary School Document requirement.
- This form does not need to be included when uploading your Secondary School document in CGFNS Connect.

**Applicant:** Use this form only if uploading documents through CGFNS Connect is not possible. Mailing documents will cause significant delays, so it is highly recommended to use CGFNS Connect. If mailing, send copies (not original documents) directly to CGFNS International. All non-English documents must have a certified English translation.
